Index To Volume 25 - 1971

This index is for Volume Twenty-Five of THE GENEALOGICAL HELPER - January, March, May, July, September and November 1971. The letter indicates the column and is followed by the number of the page on which the column is located. A indicates column 1, B indicates column 2, C-column 3, D-double column advertisement, T-triple column advertisement, E-column 4, F-column 5, and G-column 6. Thus Ainsworth A 244 indicates that the surname, Ainsworth appears in the first column on page 244 (July issue).

Since all surnames in the Directory of Genealogists (pages 45 to 104 in the March Semi-Annual Exchange Edition) and (pages 273 to 361 in the September Annual Exchange Edition) are indexed in the Genealogists' Exchange (pages 105 to 139 in the March issue) and (pages 364 to 401 in the September issue), surnames on these pages do not appear in this index.

The various issues of Volume Twenty-Five (1971) contain the following pages: January - 1 to 40; March - 41 to 168; May - 169 to 220; July - 221 to 268; September - 269 to 456; and November 457 to 528.

This index for Volume Twenty-Five (1971) differs slightly from the index for other years because of the peculiarities the computer has in arranging special characters. A space, hyphen, or apostrophe is listed before the regular alphabetical order of the letters. For example, they appear in this order: VAN WINKLE, VAN-WINKLE, VAN'WINKLE and VANWINKLE. Another change is the appearance of all capital letters in the surnames. No distinction is made between small and capital letters as sometime appear in "Mc", "Mac", "Van" or surnames with "de" as part of them.
